

Our diverse and highly skilled workforce consists of more than 300 employees. As a company and as individuals, we take great pride in contributing to the communities where we live and work. We also care deeply about the environment and are proud of the many ways in which our employees work to safeguard it.

In 2010, Fabrinox converted 5 tons of steel sheets & pipe per day. About 70 percent of the conversion volume occurred inside the Kundali unit in INDIA and the rest 30 percent buy its ancillary units within the country. Our marketing network supports more than 50 Corporations, Industries and Professional Individual from the construction segment.
